§1158. Asylum

(a) Authority to apply for asylum

(1) In general

Any alien who is physically present in the United States or who arrives in the United States (whether or not at a designated port of arrival and including an alien who is brought to the United States after having been interdicted in international or United States waters), irrespective of such alien's status, may apply for asylum in accordance with this section or, where applicable, [section 1225\(b\) of this title](#).

(2) Exceptions

(A) Safe third country

Paragraph (1) shall not apply to an alien if the Attorney General determines that the alien may be removed, pursuant to a bilateral or multilateral agreement, to a country (other than the country of the alien's nationality or, in the case of an alien having no nationality, the country of the alien's last habitual residence) in which the alien's life or freedom would not be threatened on account of race, religion, nationality, membership in a particular social group, or political opinion, and where the alien would have access to a full and fair procedure for determining a claim to asylum or equivalent temporary protection, unless the Attorney General finds that it is in the public interest for the alien to receive asylum in the United States.

(B) Time limit

Subject to subparagraph (D), paragraph (1) shall not apply to an alien unless the alien demonstrates by clear and convincing evidence that the application has been filed within 1 year after the date of the alien's arrival in the United States.
